- ◆ For the most vulnerable districts according to the NALSA (Victims of Trafficking and Commercial Sexual Exploitation) Scheme, 2015 and the NALSA (Legal Services to the Victims of Drug Abuse and Eradication of Drug Menace) Scheme, 2015, the districts listed by NACO for the implementation of the HIV programme can be referred to
- ◆ For the NALSA (Legal Services to the Workers in the Unorganised Sector) Scheme, 2015; the NALSA (Effective Implementation of Poverty Alleviation) Scheme, 2015; and the NALSA (Legal Services to the Mentally Ill and the Mentally Disabled) Scheme, 2015, the most backward districts so named by the former Planning Commission can be made use of.
- ◆ For the NALSA (Victims of Trafficking and Commercial Sexual Exploitation) Scheme, 2015 and the NALSA (Child Friendly Legal Services to Children and their Protection) Scheme, 2015, the districts identified for the Beti Bachao campaign by the Department of Women and Child Development can be utilized.
- ◆ For the NALSA (Protection and Enforcement of Tribal Rights) Scheme, 2015, districts having more than 50% tribal population must be determined.

Besides these preliminary examples, other districts that can be most benefitted and that are in need of these schemes must be identified for the first phase of implementation.
