In order to live up to the aspiration of founding fathers of the constitution of India by ensuring “**Access to Justice**” for all, the Jharkhand Legal Services Authority has started intensively addressing issues related to not only ignorance of rights but also a plethora of Govt. Welfare Schemes (Central & State Govt.) by creating awareness amongst entitled beneficiaries who are weaker & marginalized sections of the society including Sr. Citizen, Widow, Children, Differently abled persons & prisoners. Taking into consideration the fact that creating awareness is not enough, the JHALSA through its main workforce the Para Legal Volunteers is engaged in providing benefits of the rights and schemes to the entitled persons in pursuance of the Judgement of the Hon'ble High Court of Jharkhand in W.P. SALIENT FEATURES OF THE SPEECH :-

Hon'ble Mr. Justice D.N. Patel, Judge, High Court of Jharkhand & Executive Chairman, JHALSA

- His Lordship Hon'ble Mr. Justice D.N. Patel stressed on the need of Full Time Secretaries & said that with their help the Govt. Schemes may be spread all over the State. The goal of JHALSA is to reach up to the last person in the queue.
- If 7 categories of people are covered then most percentage of the downtrodden people are covered i.e. Senior Citizen, Women, Widow, Child, Prisoners, Differently Abled Persons and Mentally Ill persons. Civilization of Society is achieved if proper care is taken of these categories.
- To provide justice at the doorstep to all and to assist the people in disposing the pre-litigation matters it should always be kept in mind that we should work silently and never expect anything from anybody. This principle is essential for all persons especially Secretaries of DLSAs. Their satisfaction should lie on the welfare of others.

Sri Rajiv Gauba, the Chief Secretary, Govt. of Jharkhand

- Inauguration of the LED Display Board is a landmark achievement for JHALSA for dissemination of useful information for various Welfare Schemes being implemented by the Centre and State for the poor, needy and ignorant, not only for them but also for all of us as plethora of schemes are launched day by day and it is

not possible for us to keep track of all such schemes and also for those who are ignorant of law and latest schemes of the Government, the Role of Civil Society Organisation and the Role of the Govt. Organisation and the Role of Institutions like Legal Services Authorities comes into play.

Hon'ble Mr. Justice Virender Singh, the Chief Justice, High Court of Jharkhand-cum-Patron in Chief, JHALSA

- A great job done by Justice Patel in which the involvement of Chief Secretary of the State and other Govt. officials in providing full cooperation for starting this LED display board, which will be helpful in making aware all of us to know various schemes, which are launched every month.
- In order to reach the people living in the remotest area, we have to work for it. Such LED Board shall also be installed in different DLSAs and Taluk Level to reach to the remotest area.
- The PLVs living in the remotest areas can spread awareness about the schemes through Taluk and Sub Division Level.
- Various Schemes like Kasturba Gandhi Vidyalaya have been started to rehabilitate girls who have witnessed trauma. So we should ensure that these schemes should reach the needy and they can reap the fruits of these schemes also.
- About 56.6% of the children are malnourished. We have organized Awareness programme in this regard.
- As per NSS about 47 crore people are from Unorganised Sector and about 3 crore from organized sector.
- Social Security Schemes cover life and security, health and maternity benefits, old age protections and other benefits

Hon'ble Mr. Justice M.Y. Eqbal, Judge, Supreme Court of India

- As an Executive Chairman of JHALSA a lot of difficulties were faced by me to ensure Full time Secretaries of the rank of Civil Judge, Sr. Division for all the 22 Districts at that time and Govt. of Jharkhand was kind enough to sanction 22 post of Full time Secretaries for the DLSA. This concept was first of its kind in the country.
- With respect to the problems of the Unorganised Workers a Regional Meet was held in Ahmedabad and after deliberation it was suggested to NALSA to identify such unorganized Workers.

Hon'ble Mr. Justice M.Y. Eqbal, Judge, Supreme Court of India, Hon'ble Mr. Justice Virender Singh, the Chief Justice, High Court of Jharkhand - cum - Patron-in-Chief, JHALSA, Hon'ble Mr. Justice D.N. Patel, Judge, High Court of Jharkhand & Executive Chairman, JHALSA, Hon'ble Mr. Justice R.R. Prasad, Judge, High Court of Jharkhand & Chairman, HCLSC & Sri Rajiv Gauba, the Chief Secretary, Govt. of Jharkhand on the dais.

Hon'ble Mr. Justice M.Y. Eqbal, Judge, Supreme Court of India addressing the participants.

- So far Jharkhand is concerned, identifying the unorganized workers may not be a difficult job. If we proceed from Ranchi towards Khunti district by road several stone crushers mines may be seen where the labourers are doing stone crushing, who are totally unorganized. Nothing has been done so far as such unorganized workers are concerned.
- Such unorganized workers can be empowered with the help of NGOs, PLVs. We can prepare a list of those workers and then govt. beneficial schemes can be given to them. They are totally unaware of such schemes.
- Similarly in the district of Khunti, Legal Awareness programme regarding Govt. beneficial schemes can be organized on Fridays as such unorganized workers also gather there in local *melas* held on every Friday.
- In the district of Lohardaga, Gumla etc. different agricultural workers, who are unorganized can be identified and provided legal awareness.
- About 60% of the economy comes from these unorganized Sector.

Hon'ble Mr. Justice R.R. Prasad, Judge, High Court of Jharkhand & Chairman, HCLSC

- This is the need of the hour as the innocent, gullible and poor people of the State are not aware of their constitutional as well as legal right and also are unaware of the various welfare schemes.
- LED display Board will be helpful in disseminating information relating to welfare schemes.

Hon'ble Mr. Justice Virender Singh, the Chief Justice, High Court of Jharkhand cum-Patron-in-Chief, JHALSA addressing the participants.

Hon'ble Mr. Justice D.N. Patel, Judge, High Court of Jharkhand & Executive Chairman, JHALSA addressing the participants.

Issues that came up for consideration in the

- (a) UWIN Card is being prepared by the Labour deptt. and in rural area the BDO/C.O. is the Registering Authority and in the Urban area the Tax Daroga is the Registering Authority and identification by Panchayat Sewak and requirement of Aadhar Card are getting the process delayed and DLSA is required to be involved in the process through its vast pool of PLVs and PLV can very well identify the person and get the card prepared for 100% Unorganised Workers of the district. This should be goal of all DLSAs.
- (b) Co-operation of Labour Deptt. Officials, District administration will help the DLSAs/SDLSCs in providing benefits.

Hon'ble **Mr. Justice M.Y. Eqbal**, Judge, Supreme Court of India said that these issues can very well be discussed in the meeting of P.D.J. with the D.C. and S.P. of the District where all the hurdles coming in the way of registration of Unorganised Workers for UWIN Card may be removed.

Hon'ble **Mr. Justice D.N. Patel**, Judge, High Court of Jharkhand & Executive Chairman, JHALSA called upon the Secretaries of the DLSAs/SDLSCs to send the problems coming in their way in providing benefits of the schemes to the poor and marginalised sections of the society as also the solutions in Bullet Points.
